

is pleased to present.. "A Family Breakthrough Workshop"

Does anyone in your family have difficulties with spelling, reading, concentration, writing or diagnosed with Dyslexia, Dyscalculia, Dysgraphia, ADHD? As 1 person in 5 experiences difficulties it is more than likely you will know someone. Are you aware that your youngster is bright, often very visual learners, yet struggling at school?

With Olive Hickmott, the author of *Seeing Spells Achieving* and *Bridges to Success*, your whole family can learn the simple visualisation techniques that everybody without learning difficulties takes for granted. You will gain the confidence to support them. Youngsters say comments like:

"This is so easy isn't it cheating?"
"This is just far too much fun!"

Date: *Saturday 28th Jan*

Time: *10:00-3:30pm*

Location: *Redbourn, Herts*

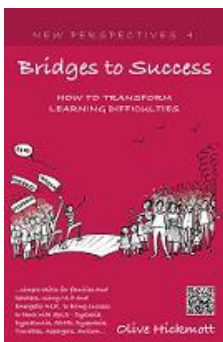

Come along to our family Breakthrough workshop, getting the whole family involved accelerates progress. See your youngsters and your family change their experience with words and help them to celebrate success. The schedule for the whole family together is as follows:

10:00-12:00am: learn concentration and visual spelling

12:00 lunch break

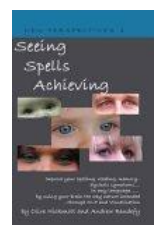

1:00-2:30pm: Complete spelling, reading, handwriting and improving maths

3:00-4:00pm: One parent learns the theory and the other parent continues practice of other visual skills with their youngster(s) that are tailored to their age related needs.

The price is £120 + VAT for the whole family, including a FREE parents pack - all youngsters need to be accompanied by 2 adults, preferably parents, and if possible any other close family members with similar symptoms.

Olive Hickmott, founder of Empowering Learning (www.empoweringlearning.co.uk) and a Director of the International Association for Health and Learning (www.tiahl.org), has successfully taught thousands of youngsters and adults these simple yet groundbreaking natural skills to help them overcome confusion. Empowering Learning currently works with teachers, head teachers, special needs co-ordinators, professional coaches/ trainers and parents across the UK, the Netherlands, Cyprus, Republic of Ireland and the USA to help get this knowledge out to as many people as possible.
